ARCADE

Test your fun... Amusement is what Livingston's is all about. Our 5,000 square-foot Arcade offers an unmatched variety of classic and high-tech games, some that can be played individually and some with a group. Florida's largest Prize Center offers a wide range of prizes that anyone can win... from televisions and iPods down to prizes for small children.

NASKART RACING

Accelerate your fun... Our indoor NasKart experience is the first of its kind in the country. Our PacerPlus karts are for anyone over 4'6" tall. These two-seater karts let friends and families enjoy the fun of racing together. We also offer a one seater version called NasKarts. They are a miniature version of Nascar race cars for anyone over 18 years of age. (Must be 5' tall and have proper ID to operate). The most fun you can have behind the wheel!

BILLIARDS

Rack up more fun... Livingston's is famous for rows and rows of pool tables. Everyone will enjoy a friendly game of eight or nine ball.

ROCK CLIMBING

Extreme fun... Rock climbing at Livingston's is an exhilarating, full body challenge that will leave you wanting more. Up to four climbers at a time can scale 24 feet of vertical climbing surface. The automatic safety rope system maximizes your experience for fun solo climbing. Let your inner risk-taker out for a little adventure. You must weigh between 40-250lbs.

PHAZERZONE

High tech fun... Join the intergalactic battle with up to 20 friends. Enter the dark combat zone and experience the adrenaline rush of PhazerZone, the paintless paintball game. Like laser tag, but wit more reality and excitement... Like paintball, but without the mess. You must be at least 4'6" to play.
